electric trolley wires. If any one of them If a b breaks there is danger of destruction and

TROLLEY EMERGENCY WAGON GOING TO A WRECK

In these times when the trolley-cars slaughter from one to two people a day, the public is apt to condemn the whole system. The big trolley companies have, however, introduced a plan for repairing breaks in the wires which is interesting.

The Atlantic Avenue and Brooklyn City companies have regularly trained emergency crews. The mission of these crews when an accident occurs, and to clear the tracks in case of a wreck.

The Atlantic Avenue and trolley wires when an accident occurs, and to clear the tracks in case of a wreck.

The Atlantic Avenue Company has three emergency stations, two on Atlantic, near Third avenue, and one at Fifth avenue and Twenty-fifth street.

The Atlantic avenue stations look out for all that part of the city north of Bergers Street. The Fifth genue station is at 249 Herself, the system of the control of the city and the flushing, near Bushwick avenue.

The Herkimer street station protects the Bedford and East New York districts. The Second avenue station is responsible for the Williamsburg district.

The outfit at each of the stations is station provided with very labeling. The system is very main the flushing avenue station is responsible for the Williamsburg district.

The outfit at each of the stations is station provided with very labeling. The system is very minutes. The car had the flushing avenue station is responsible for the Williamsburg district.

The outfit at each of the stations is station provided with very labeling and the flushing avenue station is responsible for the Williamsburg district.

The outfit at each of the stations is station provided with very labeling and put in a new one in a car all in the same part of the trucks and the bashing. The system is very minute at the proper of twenty minutes. The car had the proper of the crows are not provided with a first charge and put in a new one in a car all in the same part of the proper of twenty minutes.

The basing first of which mission the first labels and with a first labels of the city and the flushing avenue st

than is responsible for the Williamsburg district.

The outfit at each of the stations is similar. The system is very muon the that used in the police patrol or live service.

The Superintendent of the Atlantic Avenue Company's corps is E. H. Gunn. The Brooklyn City's emergency superintendent is H. M. Brockbank, Each crew consists of a foreman and four men.

The wagons are similar to the police minutes.

The brooklyn City crews can make motor taken apart to get at the break. The car had motor taken apart to get at the break. The car had the motor taken apart to get at the break. The car had the motor taken apart to get at the break. The crews can make equally good time.

The Brooklyn City crews can make equally good time.

The crews are not provided with very good quarters just now, as the system is new. It is the intention of the companies to perfect the emergency system as far as it is "systible.

REVOLT OF NATIVE POLICE. BURGLARS BUSY IN JERSEY.

At each station there are two teams of horses—one team for day and the other for night work. They are stabled, when on duty, beside the wagons. They are trained like fire horses to run under the swinging patent harness at the sound of the gong.

The crew has a room near the stable, in which the men remain at all times when on duty. In this room is a telephone and fire-alarm signal bell. This bell rings for every alarm of fire in the city.

At each station there are two teams of horses—one team for day and the other than the other horses to run under the stable.

CONFESSION OF A DRUNKARD.

A Thrilling Story of the Downward Career of a Brilliant Man.

When a man has an uncontrollabe and irrestitible desire to drink alcoholic flugors the doctors call him a dipsomotian. Coulson Kernahan has written the longing-house walked into dealing the Bureau of Contagious Martin. The latter's face companied by Martin. The latter's face to companied by Martin. The latter's face to prevent for the formerly meant of the sure and companying small-pox, by the physician in charge.

Martin was at once sent down stairs and an ambulance from East Stxteenth was treet summoned. He was taken to the Reception Hospital, whence he was sent to North Brother Island.

Martin has been size three days. This morning the clerk in the lodging-house, who has had an experience with small-pox in the same house, immediately concluded to take Martin to the Health bearting the clerk in the lodging-house walked into the Bureau of Companied by Martin. The latter's face companied by Marti months. He halls from New Jersey, and was respectably clothed.

The lodging-house and inmates were subjected to the usual presautions. The basement in the Bureau of Contagious Diseases was fumigated. Dr. Doty said to-day that Martin had not been vincinated. He was not in when the vaccinators called at the lodging-house recently.

The Bureau of Contagious Diseases reported another case of small-pox from

reported another case of small-pox from the pest-infected house in Stebbins avenue, this morning. The patient is Frank Murphy, thirty years old, of 1318 Stebbins fright over the finding last night of a avenue. He will be removed to North Brother Island to-day.

PRIMARIES TO-NIGHT.

But Croker's List of Business Men

business men, who are to be co-leaders in the thirty Assembly Districts. The rule of putting the name of the leadsr at the head of the ticket will not be followed in regard to the "business men." except in a few districts, where the selections have already been announced. Croker has not made all his selections yet, and the names may not be given out until they are submitted to the Goneral Committee, which is one of the comic formalities which must be observed, to make it appear that the Committee and not Croker made the choice.

Curker Reilly, when asked about the own, "Capt. Reilly, when asked about the own, and it had all those fellows driven out." "Had all those fellows driven out." "A dynamite bomb," explained the sergeant. "I don't care whether it was "Dynamite Dum" or "Micky the Bum." broke in the Captain, "he has no business in this precinct, and if he don't keep out he will get thirty days. What's the charge against him, drunk or begging?"
